Dear Parents,

As we are gearing up for this year's Faith Formation classes we would like to extend to you an invitation to use a free, safe messaging app called "**Remind**" as an additional form of communications. This App will allow us to periodically send out reminders via text messages, but it will not be replacing emails. We will send reminders that we have class, what to bring, snow cancellations etc.

**Sign-Up For REMIND:**

In order to sign up to receive these messages from me, please do the following:

**TEXT: @gr10smff to 81010**

Please keep in mind that this is a secure app. You will not receive spam texts and your phone number will remain private. Please let us know if you have any questions.
